

Sustainability data sheet

Evidence of environmental and consumer protection

PCI[®]
Für Bau-Profis

Corrosion protection and bonding slurry

PCI Nanocret[®] AP

for bridge construction and concrete structures

Ingredients

SVHC - Substances of Very High Concern *	not included
TRGS 610, Technical rules for hazardous substances	solvent-free
Plasticizers	plasticizer-free
VOC according to the Swiss VOC Regulation	no VOC (CH)
Decopaint Directive	not relevant

Environmental Product Declaration (EPD)

Environmental Product Declaration (EPD)

Modified mineral mortars, group 2

[EPD-DBC-20220218-IBF1-EN](#)

LEED (Leadership in Energy and Environmental Design) Version 4.1

VOC Content (GS 11 Green Seal Environmental Standard for Paints and Coatings)	< 1 g/l
Prohibited substances	Does not contain any toxic substances such as formaldehyde, asbestos, lindane, chlorinated biphenyls, pentachlorophenol or other prohibited substances.
MR Credit: Environmental Product Declaration (EPD)	EPD-DBC-20220218-IBF1-EN
PCI Nanocret AP meets the requirements and contributes to achieving a LEED Credit under MR Credit: Environmental Product Declaration (EPD).	

How to use

* SVHC - Substances of Very High Concern, which are listed in the current Candidate List according to Article 59 (10) of the REACH Regulation, in a concentration > 0.1% by weight

This sustainability data sheet has been established on the basis of the current state of the art and our experience. In case of doubt or deviations, the information in the technical data sheets, safety data sheets and other relevant documents, such as declarations of performance, GEV EMICODE licenses, RAL certificates, general official approvals and environmental product declarations (EPD), are legally binding. These documents and current versions of the sustainability data sheets are available at www.pci-augsburg.eu. The user is responsible for verifying the information for the respective individual use of the products. Despite all the care taken in compiling the information, PCI Augsburg GmbH cannot accept any liability for the correctness and up-to-dateness of the information. If you have any questions, please do not hesitate to contact us at sustainability-pci-group@PCI-group.eu.
