Size: XS-S-L-XL-2XL-3XL-4XL-5XL-6XL
Shell fabric: 100% Polyester, 300 g/m²
Lining: 100% Polyester
Wash:

Practical, classic softshell winter jacket which is wind and water-repellent, using a more environmentally-friendly water-repellent treatment that does not contain fluoride. The winter jacket has an FE-Insulate lining, keeping you well-insulated against the cold while allowing the body to breathe, making this jacket ideal for active outdoor work or leisure activities. The softshell winter jacket has a soft and windproof fleece inner collar, making it comfortable to wear when fully closed, especially against the face and chin. The jacket also has a concealed zipper with Velcro at the front and multiple functional pockets. A drawstring at the bottom makes it easy to adjust and helps to keep the wind out. The jacket is also designed with a zipper in the lining, offering ample space on the front of the design for company profiling.
