This work jacket is designed to combine functionality, durability, and comfort, making it ideal for demanding work conditions. It is made of Ripstop fabric with 2-way stretch, ensuring both flexibility and abrasion resistance. The concealed front zipper and a narrow placket protect against scratches. The jacket features many practical pockets, such as a spacious chest pocket with zipper and two side pockets, which also have zipper closures for secure storage. To ensure an optimal fit, the jacket has elastic and velcro adjustments at the sleeve openings, allowing for individual customization. Reflective print on both sleeves and back increases visibility. The ENGEL EXTENDED back piece provides extra protection for the lower back, which is advantageous in cold or windy environments. A D-ring in the right pocket makes it easy to attach ID cards, for example. The jacket has ample space for c
