Wash:

Smart and stylish pilot jacket made from a stretchy fabric for increased comfort and movement. The jacket has wide quilted panels for increased insulation and is wind and water-repellent. The inner collar is soft and comfortable against the skin, and protects against the wind. Concealed zipper with press studs at the front. Two side pockets and breast pocket that fasten with a zipper. Two internal pockets with Velcro closure. The jacket has a detachable hood with adjustment options and elastic rib panel on the back for increased protection from wind. The sleeves also have rib cuffs and adjustment options. Reflective piping for increased visibility.
