Wash:

Stretchy and functional softshell jacket that is wind and water-repellent. The stretchy fabric provides optimum movement and comfort. The softshell has shaped pre-shaped sleeves for maximum freedom of movement. Concealed zipper in the front with YKK High Temperature nylon press studs. Two side pockets and breast pocket that fasten with a zipper. Large inner pockets with Velcro. The jacket has elastic storm cuffs in the sleeves and an adjustable bottom. Reflective details at front and back for increased visibility. Easy attachment of ID tag inside the neck and plenty of space for company profiling. Suitable for industrial washing.
