Wash:

This work jacket from the ENGEL GALAXY collection is suitable for all types of physically demanding work. It is made of durable materials and includes extra reinforcement on the elbows, among other features. The material is made with stretch, which follows your movements and gives you great mobility. The ENGEL GALAXY work jacket is also characterised by its hidden buttons and zippers, so they can't scratch the components you are working with. In this manner, you get a work jacket where every detail has been thought of to give you optimal comfort and efficiency in all work situations.

- Stretch provides free movement and great comfort
- Concealed zipper and Velcro closure in front
- Elbows reinforced with CORDURA®
- D-ring for ID card
