Wash:

The ENGEL ENGEL SAFETY trousers come in several colour options, some of which are hi-vis. These trousers are equipped with certified reflectors, for optimal visibility. Made from flame-retardant and antistatic material the trousers are resistant to flames, sparks, chemicals, arc flash and molten metal splashes. With ergonomic knees and an elasticated waist at the back, these trousers offer a good fit. All details of these ENGEL SAFETY trousers have been carefully considered to give you the best possible protection, for example, with a design that prevents embers from becoming lodged in the fabric. For a trade that requires class 3 clothing, simply wear these ENGEL SAFETY trousers together with the ENGEL SAFETY+ winter jacket (item no. 1321-188).
