These service trousers are designed with a focus on functionality, durability, and comfort. The trousers are made of ripstop material with 2-way stretch, ensuring both flexibility and durability. A concealed button closure protects surfaces from scratches, and the elastic waistband at the back ensures an optimal fit, even during movement. There are many functional pockets for extra storage, including a thigh pocket with a zipper and a dedicated mobile phone pocket on the left thigh. There are also buttons for quickly attaching hanging tool pockets. A practical strap with a D-ring allows for secure and easy attachment of an ID card, for example. The trousers also feature an extra wide hem, allowing the leg length to be ENGEL EXTENDED by up to 6 cm, or 4 cm for short rise, to suit different needs. Reflective print on the back of the knees increases visibility, especially in darker environm
