These ladies' work trousers are designed with a focus on functionality, durability, and comfort to meet the demands of challenging work environments. They are made from Ripstop material with 2-way stretch, ensuring both flexibility and durability. A concealed button closure protects surfaces from scratches, and the elastic at the back waist ensures an optimal fit even during movement. The trousers have knee pockets with CORDURA® reinforcement and velcro closure, as well as two adjustment options for the height regulation of knee pads, allowing them to be customized individually. There are many functional pockets for extra storage, including a thigh pocket with a zipper and a dedicated mobile phone pocket on the left thigh. Reinforced ruler pocket and a hammer strap make it easy to store tools. There are also attached buttons for quick attachment of hanging tool pockets. A practical strap
