These ladies' service trousers are designed with a focus on functionality, durability, and comfort. They are made from a comfortable 4-way stretch fabric that provides increased flexibility, while the Ripstop fabric in contrast color ensures durability and a modern look. A concealed button closure protects surfaces from scratches, and the elastic at the back waist ensures an optimal fit, even during movement. There are many functional pockets for extra storage, including a thigh pocket with a zipper and a dedicated mobile phone pocket on the left thigh. Likewise, there are attached buttons for quick attachment of hanging tool pockets. A practical strap with a D-ring allows for secure and easy attachment of items like ID cards. The trousers also have an extra wide hem, which allows for extension of the leg length by up to 6 cm, or 4 cm with short lower trunk length, so they can be adapted
