ENGEL's ENGEL EXTREME work trousers with super stretch fabric are made with a feminine cut and feature all the functionality you need. This makes them ideal to wear at work or in your free time, when you seek a pair of trousers that are both practical and comfortable. The flexible and stretchable material, together with the elasticated panel across the back, offers full freedom of movement together with a slim, modern fit. To further increase the level of comfort, the trousers are made with a cotton backing. The sports-inspired look of the ENGEL EXTREME work trousers makes them ideal for leisure use, but they also have all the functional details you need as a tradesperson. Featuring buttons for the quick and easy mounting hanging tool pockets, you can keep all your tools close to hand when on the job. These work trousers also have extra reinforcement in areas that get extra wear.
