- Wash:**

ENGEL's ENGEL WELCOT boiler suit is a classic boiler suit made of 100% cotton, which provides good breathability. It is especially suitable as an extra layer of protective clothing over your own clothes if you have a job where you get very dirty. The boiler suit has numerous practical details that make your working day efficient, as you can have on hand tools, mobile phone and ID card, among other items. The ENGEL WELCOT boiler suit has a comfortable fit that makes it a pleasure to wear for a whole working day. Afterwards it is quick and easy to take off and hang up, so it is ready for the next day. In addition, it is reinforced at the knees.

- Concealed zipper and Velcro closure at the front
- Chest pocket with zipper
- Elasticated waist for a good fit
- Sleeves designed for maximum mobility and flexibility
- Velcro adjustment at cuffs
- Thigh pocket with additional mobile phone pocket
- Knee pockets with reinforcement and Velcro closure
- D-ring for ID card
- Ergonomically-shaped knee section provides an optimal fit
- Two adjustment options for knee pads
- Extra wide shortening means the trouser length can easily be ENGEL EXTENDED by 6 cm (4 cm for short inseam length)
- Ample room for company profiling
- Suitable for industrial laundering
