These shorts are created with a focus on functionality, durability, and comfort. They are made from Ripstop material with 2-way stretch, ensuring both flexibility and durability. A concealed button closure protects surfaces from scratches, and the elastic at the back of the waist ensures an optimal fit, even during movement. They have many functional pockets for extra storage, including a zip thigh pocket and a dedicated mobile phone pocket on the left thigh. Reinforced ruler pocket and a hammer strap make it easy to store tools. Additionally, buttons are attached for quick mounting of tool pockets. A practical strap with a D-ring allows for secure and easy attachment of an ID card. The shorts are suitable for industrial washing, ensuring easy maintenance even with frequent use.
