These ladies' shorts are designed with a focus on functionality, durability, and comfort. They are made from Ripstop material with 2-way stretch, ensuring both flexibility and durability. A hidden button closure protects surfaces from scratches, and the elastic at the back of the waist ensures an optimal fit, even during movement. They have many functional pockets for extra storage, including a thigh pocket with a zipper and a dedicated mobile phone pocket on the left thigh. Reinforced ruler pocket and a hammer strap make it easy to store tools. Similarly, there are attached buttons for quick mounting of hanging tool pockets. A practical strap with a D-ring allows to securely and easily attach an ID card. The shorts are suitable for industrial washing, ensuring easy maintenance even with frequent use. Number of recycled plastic bottles: 8
