These ladies' shorts are designed with a focus on functionality, durability, and comfort. They are made from a comfortable 4-way stretch material that provides increased flexibility, while the Ripstop fabric in contrast color ensures durability and a modern look. A hidden button closure protects surfaces from scratches, and the elastic at the back of the waist ensures an optimal fit, even during movement. There are many functional pockets for extra storage, including a thigh pocket with a zipper and a dedicated phone pocket on the left thigh. Likewise, there are attached buttons for quick attachment of hanging tool pockets. A practical strap with a D-ring allows for things like an ID card to be securely and easily attached. The main material is dyed using a dope dyed process.
