Two-toned shorts in a modern cut, designed with optimum fit in mind. The shorts are designed in a fabric that feels comfy on. The shorts have a practical elasticin the waist at the back, which ensures a good fit and means that they stay in place during repeated movements. The shorts have been designed for use in industry and have all the functional details required. They are equally suitable for drivers or warehouse employees or similar work functions. For example, the shorts have extra functional pockets such as two spacious cross-pockets at the front. Back pocket fastens with Velcro. Left thigh pocket with flap and separate mobile phone pocket The right side has a sliding ruler pocket with a loose-fitting bottom and reinforcement. For increased visibility and ENGEL SAFETY, the shorts have smart reflective details at the front and back.

- Modern fit
- Multiple functional pockets
- Concealed button closure to avoid scratches
- Strap with D-ring
- Elastic in the waist for excellent fit
- Reinforced ruler pocket
- Reflective details for increased visibility
