

Heat Underwear with Zip Neck

Size:	XS-S-M-L-2XL-3XL
Shell fabric:	92% Polyester / 8% Elastane, 205 g/m²
Wash:	

Practical base layer top with heat element. Just one click and within a few seconds the top becomes extra warm, with a choice of three heat settings. The top is antibacterial, sweat-absorbing and has a high level of insulation to keep the body dry. The top has a high neck with zip and is made in a light fabric that takes up minimal space under ordinary workwear. Although the top has a heat element, it is machine washable.

- Base layer with heat element
- One click and the product becomes extra warm
- 3 heat settings
- Lightweight fabric that takes up minimal space under ordinary workwear
