Versatile windbreaker cardigan in a simple and soft knit with stretchy lining. The windbreaker is a good transitional jacket in early spring or autumn, when mornings and evenings can feel chilly. The combination of the windproof lining combined with the woollen knit offers extra warmth, for example when travelling to and from work in the mornings or evenings. The windbreaker cardigan features a hidden zip on the front and a high collar. The windbreaker cardigan also features side pockets with zips, as well as stylish ribbed details and a slim fit.

- Simple, soft knit with windproof stretchable lining
- Ribbed details for a modern look
- Ribbed cuffs on the sleeves and hemline for increased comfort
- Side pockets with zipper for practical storage
- High collar with hidden zipper on front
