

Beanie and Neck-warmer set

Size:	One size
Shell fabric:	100% Polyester
Wash:	

Designed to keep you warm all day long, this beanie and neck-warmer set from ENGEL is ideal when working in cooler environments. The set is made from a soft and stretchable fabric with inner fleece for extra comfort. The fleece lining is soft and comfortable against the skin, preventing unpleasant irritations.. Thanks to the design, there's plenty of space to add your own company logo.

- Designed to keep you warm
- Well suited to working in chillier environments
- Soft and stretchable quality with inner fleece
- The fleece quality feel comfortable against the skin
- Ample room for company profiling
