

PREMIUM LATEX GLOVES

superior grip & durability

Perfect for heavy-duty tasks and handling slippery objects.

Seamless polyester knit for comfort and flexibility. Crumpled latex coating with fully coated palm for enhanced grip. Elastic knit wrist with colored trim for a secure fit.

Benefits:

- Non-irritating and easy to adjust thanks to the one-piece knitted support
- Excellent visibility with the bright color
- Enhanced grip with crumpled latex finish
- Hand back ventilation thanks to palm-only coating
- Quality and reliability from ISO 9001 / ISO 14001 certified production
- Antibacterial protection with Sanitized treatment

Applications:

PUBLIC WORKS STRUCTURAL CONSTRUCTION FINISHING WORKS LANDSCAPING AQUACULTURE
