

# CUT-RESISTANT GLOVES

**Ideal for handling sharp objects in dry or slightly oily environments.**

**Seamless black knit made of polyester, high-density polyethylene, elastane and fiberglass. Elastic wrist with trim. Sanded nitrile foam coating, with coated palm.**

## Benefits:

- Non-irritating and easy to adjust thanks to the one-piece knitted support
- Excellent cut resistance provided by the technical fibers in the knit
- Good protection against the heat
- Secure fit with elastic knit wrist
- Enhanced grip with sanded nitrile finish
- Hand back ventilation thanks to palm-only coating
- Quality and reliability from ISO 21420 : 2020 certified production

## Applications:

HEAVY INDUSTRY

LIGHT INDUSTRY

FINISHING WORKS

MAINTENANCE
