

# expandable SHORING PROP

## third-hand support

**Shoring prop designed to temporarily hold an item in place during fixation.**

Steel and aluminum structure.  
Two high-resistance, non-slip pads (65x85 mm), articulated (rotatable 180°) for use in sloped areas or other configurations (do not incline more than 45°).

**Secure ratchet locking system designed with a push-button locking mechanism (patented).**

### Use

1. Press the trigger to release the ratchet.
2. Extend the ratchet.
3. Secure the system by pressing the locking button.
4. Fine pressure adjustment (using the threaded rods at each end) by turning the non-slip handle clockwise.

Non-slip handle

### Small model

Adjustable from

**0,75 to 1,25 m**

Supports up to  
60 kg at 90°  
and 20 kg at 65°.

Réf: 44 42 01

3 375554 442017

### Medium model

Adjustable from

**1,01 to 1,77 m**

Supports up to  
60 kg at 90°  
and 20 kg at 65°.

Réf: 44 42 03

3 375554 442031

### Big model

Adjustable from

**1,60 to 2,90 m**

Supports up to  
50 kg at 90°  
and 20 kg at 65°.

Réf: 44 42 02

3 375554 442024
